

Sports Awards Assembly - 11th July 2018

To celebrate such a fantastic year, we held our first ever sports awards. It was well attended by parents and families and enjoyed by the whole school. It recognised our collective achievements and we had team photos with all of our squads across the 14 different sports we've competed in. We are proud that over 130 different children have represented the school this year and more importantly, the conduct of our children has been exemplary throughout. We have been successful but learnt many things along the way and had a lot of fun too.

The awards also recognised a number of individual year 6 children for their achievements, attitude and commitment to sport. A big well done to all of our award winners, everyone who represented the school this year and to all the staff and families who made it all happen.
