

Year 1 Newsletter

Living, learning and growing in God's love

“Jesus said I give you a new commandment: love one another. As I have loved you, so you also should love one another. This is how all will know that you are my disciples if you have love for one another.” – John 13:34-35

ALL THE LATEST FROM ST JOHN BOSCO CATHOLIC PRIMARY SCHOOL

16th September 2022

Congratulations!

Well done to the following children who have received certificates in assembly this week.

Pupil of the Week – Alana

Handwriting Award – Amber B

Monster Effort - Gabriel

RE and Catholic Life

We pray for Her Royal Highness Queen Elizabeth II.
Eternal rest, grant to her O Lord,
And let Perpetual light shine upon her.
May she rest in peace.
Amen.

May her soul, and the souls of all the faithful departed,
Through the mercy of God, rest in peace.
Amen

Thank you to Y6 who led us in Mass this week.

A huge thank you to everyone who joined us at Holy Cross on Sunday for our school-Parish Mass and well done to our Y5 and Y6 readers.

In Faith Filled Friday last week, we celebrated the work of the emergency services with a particular focus on the police. We thank God for the bravery of our emergency services in helping to keep us safe. Many of our children said that they hope to have a career in the emergency services.

Homework

Maths – Representing numbers to 10

Literacy – Writing sentences to describe your superhero

Spelling – words with the sound ‘ff’ and ‘ss’

Reading books have now been organised – keep your diaries up to date.

Notices

- Please ensure all clothing has your child's name in it.
- In the morning, KS2 children should be entering through the KS2 gate. KS1 and EYFS through the front entrance.

Thursday 20 th	Children break up for half-term at 3.15pm
Friday 21 st	Staff Training Day
24 th 28 th	Half Term

Democracy Day

Well done to the children who put themselves forward for election onto the Pupil Council. All children spoke really well and made voting a tough decision. Congratulations to those who were successfully elected.

Our learning this week: This week Y1 have been learning about representing numbers to 10 and have impressed their teachers with their fantastic practical skills using concrete maths resources. Y1 have also worked really hard with their writing this week. They have written super sentences describing their superpowers, remembering their capital letters, full stops and Fred Fingers. Well done Year 1!

Our learning next week: Next week Year 1 will move onto finding one more and one less than a number in Numeracy. In Literacy they will begin to read a new book, focusing on what is special about them and in Science will continue to investigate and explore everyday materials.
