Art & Design Curriculum

St John Bosco Catholic Primary School & St Chad's Catholic Primary School

Intent

At St John Bosco Catholic Primary School and St Chad's Catholic Primary School, our Art and Design curriculum inspires creativity, imagination and self-expression. Through drawing, painting, sculpture and design, pupils develop the knowledge, skills and confidence to communicate ideas and respond creatively to the world around them.

Children study a diverse range of artists, designers and craftspeople whilst developing technical skills and artistic vocabulary. As Catholic schools, we encourage pupils to appreciate beauty, creativity and the talents God has given us.
